Subject: Top Attackers

Scenario:

The Executive Director is having a discussion about the recent attacks against the company. We need a report that shows the top 10 source IP addresses over the past 2 hours.

Management Instructions:

You must create a report of the source addresses, associated destinations, connection success or failure, and if successful, connection method (port, service, etc)

You will upload the report.

This should to be completed in 30 minutes.

Thank you.
